

Cookies

Sberbank (Switzerland) AG (“SBS”) uses cookies and similar technologies, such as HTML5 web storage and local shared objects (“cookies”) to record the preferences of users and optimize the design of its websites. They make navigation easier and increase the user-friendliness of a website.

Cookies are small files that are stored on your end device. They can be used to determine whether there has been any contact between us and your end device in the past. Only the cookie on your end device is identified. Personal data can only be saved in cookies if you have given your conclusive consent or if it

is essential for technical reasons, e.g. to enable a secure login.

By using SBS’ website, you consent to the use and storage of cookies on your end device. However, you can also view SBS’ website without cookies. Most browsers accept cookies automatically. You can prevent cookies from being saved on your end device by setting your browser to not accept cookies. You can delete cookies stored on your end device at any time. The exact instructions for how to do this can be found in the manual for your browser or end device. If you choose not to accept cookies it may result in a reduced availability of the services provided on our website.
